

Graduate School of Nursing & Health: Curriculum

Master's Course

Classification	Major Fields	Research Fields	Course	Subject
Common Subjects				Nursing Theory
				Nursing Ethics
				Principles of Nursing Administration
				Nursing Consultation
				Community Welfare System
				International Health & Welfare
				Medical Portuguese
				Principles of Research Methods in Nursing
				Qualitative Research Methods in Nursing
				Multivariate Data Analysis
				Methodology & Practice of Quantative Research
				Clinical Pharmacology
				Physical Assessment
				Pathophysiology
Majors (Nursing)	Fundamental Sciences for Nursing	Bioscience	Research	Infection Control Nursing
				Tumor Pathology
				Human Molecular Genetics
				Bioscience / Seminar, Practice, Experiment
				Bioscience / Independent Study
		Health Science	Research	Sports Physiology
				Family Sociology / Lecture
				Nursing Epidemiology
				Health Promotion
		Synthetic Nursing	Fundamental Nursing	Research
	Nursing Skills & Arts			
	Fundamentals of Nursing / Seminar, Practice, Experiment			
	Fundamentals of Nursing / Independent Study			
	Nursing Education		Research	Nursing Education / Lecture
		Education / Lecture		
		Education of Professional Nursing		
		Nursing Education / Seminar, Practice, Experiment		

Classification	Major Fields	Research Fields	Course	Subject	
				Nursing Education / Independent Study	
		Nursing Administration	Research	Nursing Politics	
				Nursing Economics & Management	
				Nursing Administration / Seminar, Practice, Experiment	
				Nursing Administration / Independent Study	
			Certified Nurse Administrator	Career Development & Human Resource Management	
				Dynamics of the Nursing Organization	
				Human Resource Management / Practicum	
				Risk Management / Practicum	
			Medical Financial Management / Practicum		
			Nursing Administration / Comprehensive Study		
	Clinical Nursing	Adult Nursing (Chronic)	Research	Adult Nursing (Chronic) / Lecture	
				Internal Medicine	
				Adult Nursing (Chronic) / Seminar, Practice, Experiment	
				Adult Nursing (Chronic) / Independent Study	
			Certified Nurse Specialist (Cancer Nursing)	Theory in Oncology Nursing	
				Clinical Basis of Oncology Nursing	
				Palliative Care / Lecture	
				Nursing Assessment & Intervention in Palliative Care	
				Nursing of pharmacotherapy for cancer patient	
				Introductory Clinical Practice in OCNS / Practicum	
				Developmental Clinical Practice in OCNS / Practicum	
				Cancer Diagnosis and Treatment Clinical Practice in OCNS / Practicum	
				Palliative Care & Community Medical Relations Clinical Practice in OCNS / Practicum	
				Comprehensive Clinical Practice in OCNS / Practicum	
				Oncology Nursing / Comprehensive Study	
			Adult Nursing (Acute)	Research	Adult Nursing (Acute) / Lecture
					Metabolic Response of Post Surgery
					Cancer Rehabilitation Nursing
					Adult Nursing (Acute) / Seminar, Practice, Experiment
		Adult Nursing (Acute) / Independent Study			
		Child Nursing	Research	Child Nursing / Lecture	

Classification	Major Fields	Research Fields	Course	Subject		
				Child Health Development		
				Child Nursing / Seminar, Practice, Experiment		
				Child Nursing / Independent Study		
			Certified Nurse Specialist (Family Nursing)	Family Nursing / Lecture		
				Family Assessment		
				Family Therapy		
				Family Nursing Care		
				Child Rearing Family Assessment and Nursing		
				Clinical Practice in Family Nursing / Practicum		
				Functional Clinical Practice in Family Nursing / Practicum		
				Synthetic Clinical Practice in Family Nursing / Practicum		
				Family Nursing / Comprehensive Study		
	Extensive Nursing	Community Health	Research	Community Health Nursing / Lecture		
International Nursing						
Theory & Methodology of Home Care Practice						
Politics for Elderly People's Health & Welfare Services						
Theory of Psychiatric Mental Health Services						
Community Health Nursing / Seminar, Practice, Experiment						
Community Health Nursing / Independent Study						
			Nursing Gerontological	Research	Gerontological Nursing / Lecture	
Geriatrics / Lecture						
Gerontological Nursing / Seminar, Practice, Experiment						
Gerontological Nursing / Independent Study						
					Certified Nurse Specialist (Gerontological Nursing)	Comprehensive Assessment of Older People
Order People and Family Nursing						
Theory & Practice of Home Care for Older People						
Care for Older People with Dementia						
Advanced Care Practice for Older People / Practicum						
Clinical Practice in Home Care for Older People / Practicum						
Comprehensive Clinical Practice in Gerontological Nursing / Practicum						
Gerontological Nursing / Comprehensive Study						
				Nursing Psychiatric Mental Health Nursing	Research	Theory of Psychiatric & Mental Health Nursing (PMHN) / Lecture
Counseling						

Classification	Major Fields	Research Fields	Course	Subject
				PMHN / Seminar, Practice, Experiment
				PMHN / Independent Study
			Certified Nurse Specialist (Psychiatric Mental Health Nursing)	Theory of Clinical Psychiatric & Mental Health Nursing
				Evaluation of Mental Status & Health Condition
				Methods of Clinical Psychiatric & Mental Health Nursing
				Theory of Clinical Psychiatry
				Psychopharmacology
				Theory of Behavioral Cognitive Therapy
				Stress Management
				Practice of Behavioral Cognitive Therapy
				Theory & Method of PMHN in Acute Psychiatric Conditions
				Theory & Method of PMHN in Chronic Psychiatric Conditions
				Theory & Method of PMHN in Psychiatric Liaison
				Psychiatric Treatment & Advanced Nursing Assessment / Practicum
				Introductory Clinical Practice in PMHN / Practicum
				Advanced Direct Care in PMHN / Practicum
				Advanced Practice in Acute Psychiatric Conditions / Practicum
				Advanced Practice in Chronic Psychiatric Conditions / Practicum
				Advanced Practice in Psychiatric Liaison Nursing / Practicum
				Comprehensive Clinical Practice in PMHN / Practicum
				PMHN / Comprehensive Study
